

JEWISH ATHLETES OF PALESTINE HOLD A TOURNAMENT.

Organization of "Maccabees" Inaugurates "Jewish National Sports Day" During Succoth.

A new insight into the life of Palestine is furnished by the report of the first public athletic tournament of the "Maccabee" which was held in Jerusalem on October 13th, last, the fifth day of Succoth, in the presence of Menahem Mendel Ussishkin, Gen. Watson, the chief military administrator, Col. Storrs, the Governor General of Jerusalem, Judge Norman Bentwich, many British officers and a vast audience. The Palestine News Agency of the American Zionist Publicity Department reports that 500 young athletes participated, including members of the "Hamammabee" groups of Jaffa, Petach Tikwah, Rison-le-Zion, Ness Ziona, Rehobot, Gedera, Zichon, Jacob, Ekron and Damascus as well as the Jerusalem group, each contingent zealous to win for its own individual banner.

The tournament, which the "Hamaccabee" hopes will develop into an annual event to be known as "Jewish National Sports Day" took place in a large field facing Mt. Scopus, and lasted from 9 a. m. to 5 p. m. On the following evening a special gymnastic exhibition was given in the "Zion" Cinema, and Mr. Ussishkin addressed the assemblage.

The "Hamaccabee" has for its motto: "Nefesh Beri'a b'Guf Bari" (A Soul in a Sound Body) and meets in regular sessions for Swedish calisthenics and other physical culture exercises. Groups have been formed in almost every colony and community. The "Hamaccabee" who cherish the proud distinction of having beaten an English team at their own national game of football wear a uniform consisting of a white suit and blue sash, and takes pride in acting as guards of honor to distinguished visitors, and as stewards at national meetings and demonstrations. The Palestine News Agency says: "These young people represent the healthy young generation that is developing in the Land of Israel. Their free movements, manly bearing and confidence are indicative of the new type that is taking the place of the bent and humble Jew weighed down by the sorrows of the Exile."

The "Hamaccabee" is issuing a magazine devoted to physical culture and the National Spirit. It bears the name of the organization and includes articles on athletics, Boy-Scout programmes, and news of athletics in every land. The "Hamaccabee" hopes to get into touch with other countries with a view to founding a world wide Maccabee Organization.

RED CROSS PLANS AID FOR AMERICAN SAILORS

Friendly service in foreign ports for the sailors of Uncle Sam's new merchant marine is to be a new peacetime activity of the American Red Cross. The work in seaports around the globe will include the establishment of home-like little club rooms for sailors ashore and making available to them the benefits of Red Cross Home Service, which during the war aided hundreds of thousands of American fighting men and their families.

D. 1920, she same being the second day of said month, then and there to answer the petition of Flossie Fields as plaintiff, filed in said Court, on the 28th day of August, A. D. 1919, against Tommie Fields as defendant, said suit being numbered 50156, the nature of which demand is as follows, to-wit:

Plaintiff and defendant were legally married on or about August 15, 1917, and lived together as husband and wife until on or about August 15, 1918, when, because of the harsh and cruel treatment of defendant toward plaintiff, plaintiff was forced to leave defendant and they have not since that time lived together as husband and wife. Plaintiff alleges that during the time she and defendant lived together as husband and wife she conducted herself at all times in a dutiful and wifely manner but defendant unmindful of his marital duties and vows treated her in the most cruel and tyrannical manner, cursing her and calling her vile names and one one occasion struck her with his fists, all of which actions of defendant toward plaintiff are of such a nature as to render their further living together insupportable and unbearable.

Wherefore, plaintiff prays the court that defendant be cited in terms of the law to appear and answer herein and for judgment dissolving said marriage relations, for costs of suit and for such other and further relief, special and general, in law and in equity that she may be justly entitled to, etc.

Herein Fail Not, but have you then and there before said Court, this Writ, with your return thereon, showing how you have executed the same.

Plaintiff alleges that during the time she and defendant lived together as husband and wife, she was at all times kind and affectionate towards him and always acted in a dutiful and wifely manner, but defendant unmindful of the duties and obligations of his marital vows, about one year before their separation began a course of cruel, harsh and tyrannical treatment toward plaintiff, often cursing and abusing her and threatened to kill her thereby putting plaintiff in fear of her life, and other wise, on various occasions mistreated her.
